MEET OUR LEADERSHIP

PRESIDENT NEWS: IT'S ABOUT THE JOURNEY

Our careers are journeys and being an active member of the **premier organization for financial executives in New York City** enhances that journey above and beyond your competition. I would like to call your attention to three upcoming programs and why you should attend:

Holiday Reception, Jan 5, Rockefeller Center - Networking! Networking! Networking! What better way to start the year and grow your career?

Journey from Fortune 500 CFO to CEO, Jan 25, Union League Club - hear **Thomas Mangas** speak about his roles at Starwood Hotels & Resorts and the recent sale of the company to Marriott International. Fireside chat with **Linda Zukauckas**, EVP & Corporate Controller at American Express. Are you positioned for success with the next big change at your company?

Fraud, Lies and Hermes Ties, Mar 9, The Yale Club - a rare opportunity to hear from three different perspectives all on the same stage: **Aaron Beam**, former CFO of HealthSouth, discusses the culture of fraud and how it affected his decisions, **Weston Smith**, a subsequent CFO who discovered the fraud, and **Vic Hartman**, former FBI Special Agent, who investigated the fraud. Do you know the warning signs of fraud you should be paying attention to?

We are holding a seat for you at these and all other programs. See you soon!

Matt
