

Financial Executives International Arizona 2024 Controller of the Year

SUBMIT YOUR NOMINATION TODAY

Nominations for **2024 Controller of the Year** are currently being accepted by Financial Executives International Arizona. Has your Controller, Director of Finance, or Director of Accounting performed exceptionally in the last two years? This is a great opportunity to provide them with the recognition that they deserve!

This year's online fillable form highlights Controller contributions in the areas of **Technical Expertise, Leadership and Team Development, Planning and Budgeting, Reporting and Controls, and Innovation and Automation**. To qualify, nominees must be based in an Arizona office and have held their role for a minimum of 18 months by close of nominations on October 18, 2024. The nominee must be an FEI eligible member* (but not necessarily a current FEI member).

The below information must be submitted via email to admin@FEIAZ.org by **October 18, 2024**:

- Nominator's full contact information (preferred phone number and email address);
- Nominee's full contact information (preferred phone number and email address);
- Nominee's one-page biography and professional digital photo;
- Dates of employment in the current role;
- Organization demographics (public / private / nonprofit, as well as approximate organizational revenues by division and overall);
- Letter of recommendation from either the CEO or CFO; and
- Letter of recommendation from one direct report.

Our sponsor committee will personally interview each nominee. Once interviews are completed the independent panel of judges will review the information submitted and provided during the interviews and select the winners in each category.

The awards ceremony takes place at The Scottsdale Resort at McCormick Ranch on March 11, 2025. Each nominee will receive an award and each category winner will receive an additional award.

**FEI eligibility is defined as the following qualifying Company criteria:*

- *\$2 million in net worth, or \$6 million in capital (combined net worth and long-term debt), or \$10 million or more in annual revenues.*
- *\$8 million in operating expenses.*
- *\$200 million in total assets (Financial institutions).*
- *\$40 million total assets (Government corporations / authorities).*
