***...and Committing to the Growth of People!***

## The Athenian Oath

We will never bring disgrace on this our City by an act of dishonesty or cowardice.

We will fight for the ideals and Sacred Things of the City both alone and with many.

We will revere and obey the City's laws and will do our best to incite a like reverence and respect in those above us who are prone to annul them or set them at naught.

We will strive unceasingly to quicken the public's sense of civic duty.

Thus, in all these ways, we will transmit this City not only, not less, but greater and more beautiful than it was transmitted to us.
