

## COVID-19 Resources from our Strategic Partners & FEI Chapters

### Webinars

#### **EISNERAMPER**      **Wednesday, May 20 — 2:15 to 3:15 pm ET**

##### **Webcast – Credits and Incentives Relief Programs for Companies**

Can your company's business interruption insurance policy cover pandemic-related losses? COVID-19 has disrupted the economy and caused significant losses for businesses large and small. Commercial property insurance policies typically include business interruption coverage. It is critical that every company assess this coverage and pursue claims where appropriate. Our panel of subject matter and legal experts will address issues faced by policyholders responding to claimed losses or liabilities arising from the novel coronavirus.

#### **Hosted by FEI Detroit ~ Tuesday, May 21 — 2:30 to 3:30 pm ET**

##### **COVID-19 Webcast – Coverage and Valuation Issues for COVID-19 Related Business Interruption Claims**

###### **Topics:**

###### **Learning Objectives:**

1. Understanding of basic business interruption coverages and concepts, and how they are being interpreted in the light of the COVID-crisis
2. Understanding of the specific coverage parts that could arguably afford coverage in COVID-related scenarios
3. Understanding the potential exclusions from coverage that may be asserted in response to COVID business interruption claims
4. Understand systems and procedures to identify, collect, and organize relevant business records to support a business interruption claim
5. Understand potential mitigation efforts to minimize the disruption to the company's business and how they may impact a business interruption claim
