MEET OUR LEADERSHIP

**PRESIDENT NEWS:
BEING CFO IS "NATURAL"
FOR THIS CHAPTER
MEMBER**

Membership matters and FEI is the premier organization for financial executives. In this newsletter we continue our occasional series highlighting chapter members. This month it is a privilege to introduce you to **Ellen Gallagher**, CFO of the American Museum of Natural History. As one of the largest museums in the world with a collection that includes more than 33 million specimens and 5 million visitors per year, it's fair to say Ellen has her hands full. We sat down recently to discuss FEI, her role and what lies ahead for the finance profession.

Thank you for your membership, Ellen! What first attracted you to FEI New York City?

Like the best things in New York, I heard about FEI by word of mouth. A chapter member suggested that it would be a great organization for me to meet like-minded professionals and share knowledge and experience, and he was right. [Click for the full interview...](#)

FEI New York City welcomes Ellen and we invite members to come meet her and other colleagues at an upcoming event. Membership matters!

Warm regards,
Matt

**Auditing the Cloud Like a Pro:
Assessing and Mitigating
Cloud Technology Risks**

Internal audit plays a critical role in evaluating the specialized risks and controls that cloud computing presents – and in assessing the organization's approach to managing those risks. With the rapid growth of cloud
