

## Dr. Keith A. Russell Memorial Awards for Academic Excellence

### Let's Continue the Tradition!

**2018/19 Contributions Deadline – Tuesday, February 5, 2019**

Our Chapter is extremely proud of the “Dr. Keith A. Russell Memorial Awards for Academic Excellence” that benefits San Antonio-area college students who excel in finance and accounting. Through the significant contributions of our Affiliates and Members, each year we are able to award 14 students from local universities with \$2,000 each and 2 students at Alamo Colleges with \$750 each, to assist with their education. While this is not a 501.c.3 donation, it is for a worthy cause. The Chapter has awarded over \$343,000 in academic scholarships since 2000.

Every year at this time, we ask Affiliates/Members, their companies, and others if they would like to honor the memory of Dr. Keith A. Russell\* by donating to the awards fund. We want to recognize all supporters by acknowledging individuals and companies in the program for the Academic Achievement Awards Dinner which will be **Wednesday, February 13, 2019 at the Plaza Club**. If you would like to make a contribution to the academic awards fund, please reply with your intent to: [admin@feisanantonio.org](mailto:admin@feisanantonio.org). Contributions are always welcome but we must ask that commitments be received no later than Tuesday, February 5, 2019 to assure inclusion in this year's program.

SA Chapter Leaders thank you in advance for any additional support of this community initiative!

*\*Dr. Keith A. Russell joined the San Antonio Chapter in spring 2005 when he was appointed Dean of the Bill Greehey School of Business at St. Mary's University. As Chapter President in 2007-2008, Dr. Russell challenged our leadership to significantly expand the awards program. This was accomplished due mainly to the generous support of the Chapter's Sponsors and Affiliates. Various Chapter Members wanted to remember Dr. Russell's efforts by naming the annual awards program in his honor after his untimely death in 2008.*
