Dr. Keith A. Russell Memorial Awards for Academic Excellence*

2026-27 | Learning Today, Leading Tomorrow

FEI San Antonio is proud to continue our annual scholarship tradition recognizing outstanding finance and accounting students in the San Antonio area. Through the generous support of our partners and donors, the Chapter will award $1,000 each to 14 students from local universities and $500 each to two students from Alamo Colleges—supporting the next generation of financial leaders in our community.

Please consider a donation to this year's scholarship fund. All donors—individuals and organizations—will be recognized during the Academic Awards Dinner on February 25, 2027. To ensure inclusion in the dinner program, please submit your **scholarship fund commitment by February 18, 2027**.

**Dr. Keith Russell, Dean of St. Mary's University's Bill Greehey School of Business, joined FEI San Antonio in 2005. As Chapter President (2007-2008), he spearheaded the expansion of the Chapter scholarship program, made possible by generous Strategic Partner support. Following his unexpected death in 2008, the Chapter named the annual scholarship program in his honor, commemorating his impactful contributions.*
