

# Robert Half Alliance Newsletter

Welcome to the Q1 2021 Robert Half Alliance Newsletter. Here you will find information about upcoming webinars, our latest workplace research, new presentations and useful blog posts. Please be sure to share with your members!

## Webinar

### Protecting Your Data With Microsoft Information Protection

Join us **February 3** for a complimentary, one-hour webinar that will discuss the business impact of information protection, planning and implementation success factors, and how Microsoft Information Protection has helped global organizations protect their data. [Register now.](#)

## Special reports

### 2021 Hiring Outlook: The Demand for Skilled Talent

Our latest report offers insight into how staffing and management strategies are changing in 2021 and summarizes all the latest labor market data. [View the report.](#)

### Challenges Finance Leaders Need to Solve in a Time of Unprecedented Change

Read the latest insights from top financial executives on how they plan to navigate the road ahead. [View the report.](#)

## New presentations

Need a speaker for your upcoming meeting or conference? Check out some of our new workplace topics and let us know if you want to schedule a speaker.

Learn about new hiring trends for 2021 emerging out of the pandemic: positions and skills now in demand; where salaries are heading; what staffing models might work best for your business, whether your staff is remote, on-site or mixed; and the latest trends in benefits and perks.

Explore best practices for managing a mix of on- and off-site talent, plus key lessons learned in the wake of the crisis and its long-term impact on the workplace.

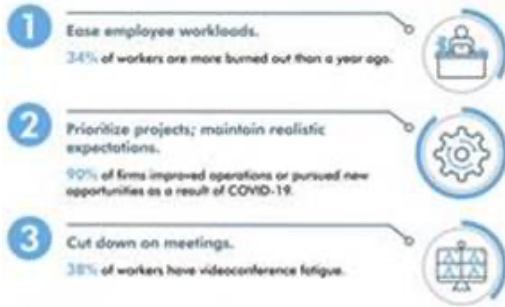

The new business environment brought on by the COVID-19 pandemic has changed just about everything. Explore strategies for starting or advancing your career, new pathways to take and how to overcome the obstacles in your way.
