

FEI Connections

President's Letter

Dear FEI Members and Sponsors,

Thank you again for taking time to read our Newsletter. Our FEI Chapter has been mostly virtual since the pandemic started in March 2020, as have most other FEI Chapters. We do have virtual meetings presented by Hylant and Schneider Downs in February, and will once again conduct a Summer 2021 Internship Program. While the Internship Program will be virtual, it is a benefit to participating Member Employers, Schools and their students who desire internships. I do not know when FEI will resume in person gatherings but it will likely be in line with your organizations return to in person activities.
