I’m thrilled to welcome you to the 2025–2026 program year as President of the FEI Pittsburgh Chapter. It’s an honor to be part of this vibrant community of financial leaders, and I’m excited about the energy and opportunities ahead for this coming year!

To kick off the year with a commitment to connection, growth, and value, we’ve designed our programming lineup to inspire, inform, and engage—with dynamic speakers, timely topics, and expanded CPE opportunities. Here’s a preview of what’s ahead:

**Chapter Goals for FY26 Aimed to Increase Connectivity in our Finance Community**

- **Grow our membership** by a net of **25 new executive members**
- **Increase average attendance** at regular monthly meetings by **15%**

We can’t do it without YOU! Your participation and enthusiasm are key to reaching these goals.

**What’s New This Year?**

We’re excited to introduce a few important updates:

1. **New FEI Registration Portal** – All Members and Sponsors will need to reset their password the first time they log in. You can now **self-register guests**. Please bring a colleague or potential member to experience the value of FEI firsthand.
2. **Refreshed Meeting Format** – Based on your feedback, we've adjusted our meeting format to help you get home earlier while still delivering **high-quality networking** and **engaging keynote speakers**.
3. **Dedicated CPE Sessions** – In lieu of pre-meeting CPEs, we're offering two **standalone half-day CPE events** to maximize learning and flexibility.

## Get Involved

This is your Chapter. Whether you're a long-time member or new to the group, we invite you to:

- Bring a guest to a meeting
- Sponsor a colleague or direct report for membership

If you have ideas or want to get more involved, I'd love to hear from you.

Special thanks to our Chapter officers:
